

Become a Navigator with Access Health CT!

Are you a **community-driven organization** looking to **help residents access affordable health insurance**? The **Navigator Grant Program** offers grant funding to **trusted local organizations** to provide outreach, education and enrollment assistance in communities throughout the state, including underserved and rural areas.

Why join?

- Make a real impact** by helping people get, keep and use their health insurance.
- Receive funding** to support your organization's outreach efforts.
- Gain training and resources** from Access Health CT.
- Build strong partnerships** with other local organizations and small businesses.

What do Navigators do?

- Host information and educational sessions** in communities.
- Staff tables at local events** like farmers' markets, job fairs and food pantries.
- Offer one-on-one enrollment assistance** at your organization.
- Engage with the community** through social media and digital outreach.

Who can apply?

- Nonprofits, trade groups, advocacy organizations, small business groups and chambers of commerce.**
- Organizations with strong ties to **uninsured or underinsured communities**.
- Groups committed to **reducing health disparities and increasing healthcare access**.

Program requirements

- Conduct **2-4 outreach events per week** in local communities.
- Track **enrollment impact, outreach numbers and community feedback**.
- Complete **Navigator Training** and follow **privacy/security policies**.
